

Division 75 Members and Standard Disability Insurance

Per Division 75 membership, this notice is to all members that currently purchase the monthly Standard Insurance Disability policy thru Division 75 and for any future members that plan on purchasing this insurance.

- 1.) This group policy is strictly thru Division 75 and Division 75 ONLY!
- 2.) If you are injured and off work, Division 75 will make the next TWO months payments, then it is the members' responsibility to make your own monthly payments *and* repay Division 75 for the two paid months.
- 3.) Your short term disability is for 6 months and then turns into long term for 18 months. So you will have to pay for 6 months of short term premiums and once on long term, the monthly premium is suspended. You must be off work for 14 days to draw on your policy and it takes approximately 6 weeks for your first payment.
- 4.) Paperwork for filing, new members and information is available thru the Secretary/Treasurer of Division 75.
